

# TICAD Press Tour

March 6, 2019

Airport Commandant explaining the grant project

Senior Air Traffic Controller explaining her duties

Project Manager explaining MA-SHEP

A successful tomato farm under MA-SHEP

Aiming for the Tokyo International Conference on African Development (TICAD) 7 that will be held in Japan this August, the Embassy of Japan held a TICAD press tour last Wednesday.

Media officials from the Nation, ZBS, MBC, MANA, Capital FM Radio, Timveni TV, Rainbow TV, and Maziko Radio joined the tour to two sites of development cooperation by Japan, namely the Kamuzu International Airport (KIA) and a Mndila farmers' group in Dowa, the projects of which align with the priority areas of quality infrastructure and market-oriented agriculture under TICAD VI.

They witnessed how fellow Malawians are contributing to the development of Malawi through these Japanese projects as well as how TICAD process enhances the bilateral cooperation.

Please also visit the official site of TICAD from the link below.
