

Joint High-Level Launch Event of Japanese Supplementary Budget Projects

June 16th, 2023

The Government of Japan commits to assist the people of Malawi through United Nations Development Programme (UNDP). Through this support UNDP in partnership with the Government of Malawi will implement two projects 1) strengthening the on-going climate change mitigation adaptation initiatives and 2) to promote peace and socio-economic empowerment with grants amounting to approximately 2 million USD in total.

To kick-start the projects, His Excellency Yoichi Oya, Ambassador of Japan to Malawi, Honourable Micheal Usi, Minister of Natural Resources and Climate Change, Honourable Owen Chomanika, MP., Deputy Minister of Local Government, Unity and Culture, and Mr. Shigeki Komatsubara, UNDP Resident Representative, signed project documents during the projects' launch ceremony held in Lilongwe, Malawi on June 16, 2023.
